AUCTIONEERS CONDITIONS OF SALE

The bidding is to be regulated by the Auctioneers, in terms of "Euro" bids plus 5% fees (inclusive of VAT) charged to the buyers. The auctioneers will regulate bidding as they see fit, with no bid less than 5 Euro between 100 and 200 Euro; therefore not less than 10 Euro.

The highest bidder for any lot shall be the buyer and the contract shall be concluded on the fall of the hammer. If any dispute should arise, the lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their discretion and their decision shall be final.

The Auctioneers reserve the right to refuse the bid of any person without being called upon to give a reason for such action. The purchaser to give his name and dwelling place and pay for all lots at the close of the sale. No lot or lots shall be removed from the premises until paid for, and a pass-out slip is obtained from the Auctioneers clerk, but each and every lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale at the purchaser's expense.

Title (i.e. ownership) to any animal or animals knocked down or sold to any person or persons shall not pass to that person or persons until payment of the entire price bid by that person or persons shall have been discharged in full to Michael Taaffe trading as "Taaffe Auctions", Milltown, Termonfeckin, Co. Louth. Tendering of a cheque which is not subsequently honoured or not paid for any reason shall not be deemed to constitute payment.

All loading shall be the duty and responsibility of the purchaser.

All statements in the catalogue or any made by the Auctioneers at the time of sale, also the identification of the animals, are the entire responsibility of the vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.

The Auctioneers act as agents for the vendors and any action taken by a purchaser must be against the vendor and not against the Auctioneers, and "vice versa."

Neither the vendors, nor the Auctioneers will be responsible for any accident through fire or any other cause whatsoever, nor for any damage done to, during or after the sale.

If any of these conditions are unfulfilled, the vendors or the Auctioneers shall have power to re-sell the lots, retaining any surplus and charging any deficiency and expense to the defaulter.
